Innovative Furniture Solutions

Walton Designs specialises in the design, manufacture, supply and installation of innovative standard and bespoke furniture and equipment.

We supply a wide range of free standing desk, storage and other furniture products from our standard range and we have the flexibility to offer **bespoke solutions**.

Utilising our in house design and manufacturing capability, we can provide customers with **cost effective** and **practical solutions** in a range of sizes and colours.

FOUNDED
IN 1985

BASED IN
THE UK IN
THETFORD,
NORFOLK

OVER
30,000
SQUARE FEET
OF SPACE

PROVIDING
A RANGE OF
INNOVATIVE
PRODUCTS

The essence of **Walton Designs** is the ability to offer a high degree of **flexibility in manufacturing**

WE CAN OFFER...

- A wide range of innovative high quality furniture products
- A wide range of individually tailored services
- Concept generation
- 3D visuals and room layouts
- Bespoke furniture solutions
- Full delivery and fitting service

Walton Designs have the **flexibility**, **capabilities** and **creativity** to design innovative furniture...

...to suit any environment or project. Our in house design engineers give us the freedom to produce cutting edge products tailored to meet our customers needs.

We can design to a wide variety of requirements from a bespoke furniture product to a fully fitted furniture solution. We will work with you to create the furniture your imagination desires.

We have the **specialist skills and experience** to offer a flexible and responsive bespoke design, fabrication and installation service.

We offer a wide range of colours and finishes, tailored to suit any project!

Project Management

With our knowledge and experience in dealing with large scale projects, we constantly strive to manage the whole design and supply process with a **professional** and **friendly** approach.

In House Manufacturing & Fabrication

We have the capacity to **manufacture** and **fabricate** products in house, allowing ease of communication and control throughout the whole manufacturing process.

Room Planning

Walton Designs offer a **full room layout** and **planning service**. Our visuals and plans for proposed room layouts, help our customers to visualise the final product in situ.

Delivery & Installation

With a fleet of delivery vehicles, we have the capability to deliver **large quantities** of products, on time and our teams of fitters can install our equipment to the highest standards.
