

Colours and Finishes

Walton Designs offer a range of suggested colours based on the most popular and flexible choices. In addition to our suggested colours, we offer our products in a huge selection of bespoke colours and finishes tailored to suit virtually any project. So if you are looking for a particular colour scheme, from a vibrant green, to an effervescent yellow, or a shocking pink, please contact us to discuss your needs.

Colours Available

We offer a wide range of colours, so get in touch today to discuss your bespoke colour requirements.
